

**What to measure:**

- 1) **Height of kitchen (floor to ceiling).**
- 2) **Complete width of each wall.**
- 3) **Width of windows (trim to trim).**
- 4) **Width distance from the outside trim of window to edge of wall on both sides.**
- 5) **Height of windows (from sill to top of window).**
- 6) **Distance from floor to window sill.**
- 7) **Distance from top of window to ceiling.**
- 8) **Width of doorway (trim to trim).**
- 9) **Distance of door from trim to edge of the closest wall.**
- 10) **Location of water lines and drain from the closest wall.**
